***Re: In re: Johnson & Johnson Talcum Powder Products Marketing, Sales Practices and Products Liability Litigation - MDL 2738***

Dear Magistrate Judge Singh:

Pursuant to the Case Management Order entered on February 13, 2024 (ECF No. 29032), outlining procedures for adjudication of cases where the Plaintiff fails to comply with the Court Orders on case specific fact discovery and the Plaintiff Profile Form (“PPF”), please see the attached lists of non-compliant cases. Counsel for these Plaintiffs have received notice through MDL Centrality (if they are registered there as required by Court Orders) and e-mail (whether registered or not).

Enclosed are two separate lists of cases. The first attachment lists, for the first time, cases filed or transferred from November 18, 2023, through April 16, 2024, which are deficient in providing a PPF. The second attachment lists, for the second time, cases listed on the July 1, 2024 PPF Report (ECF 32869) that remain deficient in providing a PPF (cases filed or transferred from 2021 through September 1, 2023). Defendants will file an Order to Show Cause on October 1, 2024, should any of these November 18, 2023, through April 16, 2024 cases continue to fail to provide a PPF. Defendants will file an Order to Show Cause on September 2, 2024, should any of these 2021 through September 1, 2023, cases continue to fail to provide a PPF.

Hon. Paul L. Friedman, US Magistrate Judge
